WHITE COUNTY RETIRED
TEACHERS ASSOCIATION

September 2016

Dear Retiree:

Another summer gone, school is in session. A new season begins! Your White County Retired Teachers Association is ready for another "school year" with fine luncheons, interesting programs and fellowship. Save this brochure—it has information about meetings, officers, and dues. We will e-mail you and put notices in the Monticello Herald Journal about up-coming meetings, as well. Please join us whether as a new retiree, as a "veteran" of these meetings, or as one who can only make an occasional meeting.

Dues are payable in September. If you have already paid dues, that is indicated on the next page. LOCAL DUES are \$5.00 for retired teachers and \$3.00 for associate members such as spouses, former teacher aides, etc. STATE DUES are separate from our local dues and must be paid by mail or by automatic deduction. (IRTA application forms are available at www.retiredteachers.org) Your support of both organizations is needed and appreciated!

Locally, we support projects such as the relocation and refurbishing of the Tucker School at New Bedford and the Reading Junction of White County. A special donation basket will be passed at each meeting to support these projects. We also have an improved website, thanks to our webmaster Dave Brechbiel — see www.wcretiredteachers.org

At the state level we support legislative efforts for cost of living raises, repayment of the teachers retirement fund, and credit for veterans. We are working hard again this year on a "COLA" for teacher pensions. Please thank our local state legislators for their support of the special "13th Check" which was added to your September pension check this year. They need to know that we appreciate their efforts on our behalf!

Our first meeting is on Wednesday, September 28, 2016 at the U. S. A. Restaurant in Monticello. Meeting 11:30 AM; Lunch 12 N.

Please call me or any of our officers if you have any concerns or suggestions for our association. My number is 574-583-7851 (H) or 574-870-1063 (C). Please attend our meetings and bring a friend. We always welcome guests and look forward to another great year!
